Report of the Planning Board

The Jefferson Planning Board consists of the following members: Donald Noyes, Chairman; Phoebe Chardon, Co-Chairman; Patricia Enman, Recording Secretary; Earl Ellingwood; Neil Gross; Wilma Corrigan; and an associate member, James Brady, Jr. Bruce Sanborn, the Selectmen's representative, votes in the event of the three to three tied vote of the six member board. The Board is appointed by the Selectmen for five year terms.

The Planning Board met on the second and fourth Tuesday of every month with the exception of December 26. A special meeting was held on October 17. All meetings were open to the public. In 1978 the Board held fifteen preliminary hearings, eleven abutters hearings, and approved eleven subdivisions.

During 1978 the Planning Board continued the process which was begun in 1977 when the Town voted to direct the Planning Board to undertake the development of a land use plan (zoning) for the town. With the help of the North Country Council a zoning ordinance was drawn up based on (1) the results of the questionnaire which was distributed in 1977, (2) the reports of the Jefferson Citizens' Committees, (3) a study of other zoning ordinances in Coos and Grafton counties, and (4) suggestions and help from numerous Jefferson residents.

A good deal of work has been put into updating the Town Plan originally prepared by Dickson Associates in 1970. The entire plan was reviewed by the Board, inaccuracies corrected, and suggestions made for changes. It is expected that the results will be printed as an addendum to the Dickson report during 1979.

The Planning Board has continued to cooperate with the Selectmen in searching for a solution to our solid waste disposal problems. On June 15 Planning Board members and our three Selectmen attended a hearing in Concord before the Air Supply and Pollution Control Commission in order to request a further extension of the time during which Jefferson can continue to operate its burning dump. A one year extension was granted to allow the Town additional time to solve its problems. At the moment the best bet appears to be to take our refuse to Carroll's new sanitary landfill site. Carroll will decide at its 1979 Town Meeting whether it will be willing to accept Jefferson's solid waste.

At Town Meeting in 1978 the Town passed an article authorizing a modern soils survey map of 21,000 of Jefferson's 32,000 acres. The work is to be done over a three year period by the U.S. Soils Conservation Service. As of the end of 1978 approximately one third of the work had been completed and the information gathered made available to the Town.

Fire Chief's Report

The Jefferson Fire Department made 19 runs in 1978. They were of the following nature:

Chimney	4
Vehicle	4
Grass	2
Structural	7
Smoky oil burner	1
Burned Stew	1

The acquisition of the 1956 Ford/Seagraves fire truck from Lancaster was made possible by the Jefferson Firemen's Association which added \$1000 to the \$2000 appropriated last year by the Town. This truck has made a big difference in our ability to respond promptly and effectively to calls. We continue to acquire the smaller equipment and protective gear necessary and now have a former full time fireman - Ken Carter - as training officer. The lack of adequate storage, training and work space is now our greatest handicap.

The fire prevention program continues. We will gladly inspect stove installation and will present fire safety talks to any town organization that requests it. Wood stove installation is still a major problem which resulted in one total loss and several other close calls this year.

Many houses now have smoke detectors. Every home should have several and batteries must be checked weekly or they may be providing a false sense of security. Fire extinguishers are also very important. Everyone should have at least one 6# ABC dry chemical.

Most important however is having home exit drills so that everyone knows where to go and what to do when fire erupts.

I am grateful for the support the Town has given the Department. Please remember a fire prevented is better than any fire department's best efforts.

Respectfully submitted,

CHARLES D. BOND

Chief

Report of District Forest Fire Chief and Your Forest Fire Warden

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

Public Health Nursing Service, Inc.

In 1978 one hundred sixty-six nursing and physical therapy visits were made to Jefferson residents, an increase of fifty-eight visits over 1977. Our cost per visit according to medicare auditors for 1978 was \$10.89, making a total cost to Jefferson of \$1,808.00. Our agency had to absorb the extra \$1,000.00 which put a strain on an already tight budget.

Visits during 1978 were divided as follows:

Child.	age 1 - 5 years.	1 visit
Neurological.65 years & over.	4
Respiratory65 years & over	42
C.V.A..65 years & over.	3
Cardiac65 years & over.	76

Adult Health65 years & over	6

We have made visits to several families. Our nurse has been instrumental in arranging for the ambulance to transport one of the families to the hospital. These people were too ill and confused to do this on their own. Twice our nurse has gone to a home and found an elderly lady on the floor unable to summon help. The nurse has drawn blood on patients at the request of their physician, she has made doctor's appointments for patients that were ill but lacked the initiative to do this for themselves, and among other things she has done T.B. testing and given immunizations shots to children unable to attend the monthly Child Health Station.

Services offered by the agency other than skilled nursing and physical therapy are:

1. Pre-school physicals (children entering kindergarten are given complete physical examinations.)
2. Free immunization clinics once a month at which time children are given all necessary immunizations.

3. Pre-School vision and hearing screening.
4. Child Health Conference (physical examinations and immunizations given to children 0 - 6 years who ordinarily would not have medical attention.)
5. Monthly blood pressure clinics, which include Diabetic and anemia screenings twice a year.

We are in the process of adding a speech therapist to our program and a Homemaker program. In the spring we are planning a pap smear clinic.

We hope the above information will help you to reach a favorable decision at town meeting in order that nursing service may be continued to Jefferson .

If you have any questions please feel free to call us at 788-2366.

Sincerely,

Jean Tenney, Chairman
Public Health Nursing Committee

Library Trustee's Report

Our Library has experienced another year of great expansion due to the efforts of our Librarian; The Friends of the Library; and several Individuals who have so unselfishly donated their services in many different ways. Our "Many Thanks" to you all.

Again this year all Trustees are members of the New Hampshire Library Trustee Association and trustee Shirley Sanborn is our representative to the District Advisory Council.

In May the New Hampshire Library Council Conference was held at the Red Jacket Inn in North Conway. Two Trustees and the Librarian attended the first day of the conference. Here they heard speeches on "Volunteer Programs for Libraries"; "Public Relations for Pennies"; and "Insurance for Your Library". They attended a movie on "Racism in Freedom of Speech" and visited the large displays of forty-one different companies showing either Audio Visual equipment, books, indexing needs, book bindings, magazines, record and book racks and various other supplies used in a library. Also, they attended the banquet where the guest speaker was Stephen King, the author of Carrie, Salem's Lot, and Shining. He enchanted everyone with his humor and tales of his interest in being the kind of author that he is.

Through the year we have held several meetings with our Librarian. Our main topics being "Library Policies" and "How to Make Our Library Grow".

We cordially invite everyone to visit the Library.

"Make The Best Better"

Respectfully,

SHIRLEY SANBORN

Library Report

A new sign, designating Library hours, in the shape of an open book, designed by Trustee, Wilma Corrigan, made by Keith Joslynn and given through the generosity of the Friends of the Library was installed on the Library lawn this past summer.

A poetry contest that proved very popular was sponsored by the Library in honor of National Library Week and over 100 entries were received from the elementary school. Esther Estabrooks and the Writer's Club judged the entries and books of poetry were awarded to winners.

Several classes from the elementary school visited the Library during the year and at Christmas time each class made decorations for the Library tree and for the Bazaar. During Book-Week, posters made by the 5th and 6th grades were on display.

The "Friends" group was very active this year and raised funds for new drapes, shelves and a bulletin board. Besides fund raising ventures, they also sponsored a gala 4th of July celebration which was so successful, it is hoped it can become an annual affair. Plans are already in progress for the 1979 festivities.

The Librarian attended her fifth class in the series of Library Techniques courses at Plymouth, which was Library Administration.

The Librarian and Trustees would like to thank everyone for their generous gifts of books, money and help, that add to the improvement of the Library.

Sincerely,

BRENDA GROSS

SUMMARY OF YOUR REGION ASSOCIATION'S ACTIVITIES/PROGRAMS FOR THE FISCAL YEAR

JULY 1, 1977 - JUNE 30, 1978

- Solicited and prepared the 1978 edition of the State's Lodging in New Hampshire, and your Association's Where to Stay/Dine in the White Mountains Region.
- Began an overhauling of much of your Association's promotional literature. The major result will be an improved Map and Guide to the White Mountains Region.
- Prepared all text material for issues of Outlook Magazine, copies of which were sent to all White Mt. region businesses, selectmen, county commissioners, and to all state legislators and state department commissioners, and directors.
- Continued its work in support of the White Mountains Center for the Arts.
- Held a joint annual meeting with the Society for the Protection of New Hampshire Forests at Bethlehem's Rock's Estate in an effort to give the proposed Farm and Forest Museum more publicity to regional businesses and citizens.
- Represented on several committees and organizations throughout the state and the region.
- Provided informational and promotional material to out-of-state promotion and travel agencies.
- Continued its support of 4-H groups and activities in Grafton, Coos and Carroll Counties.
- Sponsored a seminar on advertising and promotional essentials for businesses in the region.
- Put together an inventory of the number of overnight accommodations in the region to help determine what the total population of the region would be if all beds were filled (resident plus visitors). (Hospitals needed such information to prepare for any widespread emergencies such as flu epidemics).
- Spoke before several groups and organizations.
- Continued to help finance publication of the Christmas Tree Vendor which, in turn, helps support the \$1.2 million industry here in the region.

- Answered 3000 single inquiries.
- Answered 520 bulk inquiries.
- Wrote 196 personal letters.
- Sent 53 bulletins of Lodging and Real Estate Inquiries.
- Processed 13,598 mimeographed letters.
- Wrote 7 news releases.
